AIC 02/26

WHITE 299

Publication Date:01 JAN 2026

The following circular is hereby promulgated for information, guidance and necessary action.

Emile N. Arao
DIRECTOR GENERAL

Administrative

AIC

FLIGHT CREW, FLIGHT DISPATCH, AIR TRAFFIC CONTROLLERS, AVIATION ENGLISH, REMOTE PILOTS, AND AIRCRAFT MAINTENANCE ENGINEERS LICENCES EXAMINATIONS FOR YEAR 2026

NOTES;

1. Candidates should note the contents of current Advisory Circular –CAA-AC-PEL006 (Theoretical knowledge testing for a license or rating).
2. Candidates will be required to provide their own Navigation Computer (CRP), pens, pencils and other instruments needed in the examination.
3. The venue for all knowledge tests listed in this circular shall be KCAA Aviation House, Wing B, Ground Floor (KCAA Examination Centre) unless otherwise advised.
4. Application forms for all knowledge tests are to be submitted via the E-Citizen portal available at www.ecitizen.kcaa.or.ke . All bookings must be done before the closing date indicated in the Timetable. Any bookings done after the closing date will not be honored.
5. All candidates will submit a duly completed KCAA application form for booking of Knowledge Tests (Form PEL015) on the E-Citizen portal/platform. Forms for FD, PPL and CPL must be signed by a KCAA approved ATO instructor.
6. No electronic or programmable digital navigational computers, cell phones, and any device which can take pictures will be allowed in the examination room. Non-programmable aviation hand-held digital navigation computers (CX-1, CX-2 and CX-3) will be allowed only for CPL, ATPL, FE and FD examinations on condition that they are first presented to the examination proctor/invigilator who will confirm that the battery/batteries have been removed to clear any pre-set memory.
NB: PPL candidates shall not be allowed use of any hand-held digital navigation computers.
7. Re-sit for failed subjects will only be allowed as specified in Advisory Circular numbers, CAA-AC-PEL 006 and CAA-AC-PEL013. The candidate will submit (on the E-Citizen portal) an application form duly completed and signed by an approved instructor confirming that a refresher course covering the failed subjects has been satisfactorily completed.
8. Candidates will present to the invigilator their original Identification Card or Passport for identification purposes, and the payment receipt to confirm payment of the examination fees before being allowed to sit the knowledge tests.
9. Unauthorized materials, including computers, phones, digital watches, gadgets wired around the body/clothes, earphones etc will not be allowed into the Examination Centre. Any candidate caught cheating will be sanctioned and disqualified from sitting any other examination for a period as the Authority may decide. Such offenders shall additionally be reported to law enforcement agencies for prosecution.
10. Reporting time for all knowledge tests is 8.15AM. The start time is 8.30 AM. Candidates arriving half an hour after the start of the examination will not be admitted into the examination center.
11. All candidates must register their attendance by signing in on the attendance register indicating their full names, address, telephone number and details of the examination.
12. We wish to inform the aviation industry that the Authority will be implementing an upgraded examination platform for all aviation licensing examinations, transitioning from PEXO2 to the new PEXO3 system. This enhancement is designed to improve the efficiency, reliability, and security of the examination process for all candidates and exam administrators.

AIC No.02/25 (White 285) is hereby canceled.
