2.21.2 Any effort by the bidder to influence KCAA in KCAA's tender evaluation, tender comparison or contract award decisions may result in the rejection of the bidders' tender.

## **2.22 Preliminary Examination**

If the candidate does not accept the correction of the errors, its tender will be rejected, and its tender security forfeited. If there is a discrepancy between words and figures the amount in words will prevail

2.22.3 KCAA may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any bidder.

2.22.4 Prior to the detailed evaluation, pursuant to paragraph 2.23 KCAA will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one, which conforms to all the terms and conditions of the tender documents without material deviations. KCAA's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

## **2.26 Contacting KCAA**

2.26.1 Subject to paragraph 2.21 no bidder shall contact KCAA on any matter related to its tender, from the time of the tender opening to the time the contract is awarded.

2.26.2 Any effort by a bidder to influence KCAA in its decisions on tender, evaluation, tender comparison, or contract award may result in the rejection of the Bidder's tender.

## **2.27 Award of Contract**

### **(a) Post-qualification**

2.27.1 In the absence of pre-qualification, KCAA will determine to its satisfaction whether the bidder that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.27.2 The determination will take into account the bidder's financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the bidders' qualifications submitted by the bidder, pursuant to paragraph 2.12.3 as well as such other information as KCAA deems necessary and appropriate.

2.27.3 An affirmative determination will be a prerequisite for award of the contract to the bidder. A negative determination will result in rejection of the Bidder's tender, in which event KCAA will proceed to the next lowest evaluated tender to make a similar determination of that Bidder's capabilities to perform satisfactorily.

### **(b) Award Criteria**

2.27.4 KCAA will award the contract to the successful bidder(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the bidder is determined to be qualified to perform the contract satisfactorily.

### **(c) Procuring entity's Right to Vary quantities**

2.27.5 KCAA reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the Schedule of requirements without any change in unit price or other terms and conditions

### **(d) Procuring entity's Right to accept or Reject any or All Tenders**

2.27.6 KCAA reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for KCAA's action

## **2.28 Notification of Award**

2.28.1 Prior to the expiration of the period of tender validity, KCAA will notify the successful bidder in writing that its tender has been accepted.

2.28.2 The notification of award will constitute the formation of the Contract but will have to wait until the contract is finally signed by both parties

2.28.3 Upon the successful Bidder's furnishing of the performance security pursuant to paragraph 2.28, KCAA will promptly notify each unsuccessful Bidder and will discharge its tender security, pursuant to paragraph 2.14

## **2.29 Signing of Contract**

- 2.29.1 At the same time as KCAA notifies the successful bidder that its tender has been accepted, KCAA will send the bidder the Contract Form provided in the tender documents, incorporating all agreements between the parties.
- 2.29.2 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.
- 2.29.3 Within thirty (30) days of receipt of the Contract Form, the successful bidder shall sign and date the contract and return it to KCAA.

## **2.30 Performance Security**

- 2.30.1 Within Thirty (30) days of the receipt of notification of award from KCAA, the successful bidder shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to KCAA.
- 2.30.2 Failure of the successful bidder to comply with the requirements of paragraph 2.27 or paragraph 2.28 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event KCAA may make the award to the next lowest evaluated Candidate or call for new tenders.

## **2.31 Corrupt or Fraudulent Practices**

- 2.31.1 KCAA requires that bidders observe the highest standard of ethics during the procurement process and execution of contracts when used in the present regulations, the following terms are defined as follows;

- 2.31.2 KCAA will reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
- 2.31.3 Further a bidder who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.
